

Imam Mohammed Bin Abdul Wahhab Mosque (State Mosque)

Client Background

The State Mosque is Qatar's flagship mosque managed by the 'Ministry of Endowments and Islamic Affairs' (AWQAF) who are a Qatari Government authority assigned to support Qatar's Policy on correct teachings of Islam.

The Ministry is responsible for managing over a thousand mosques spread across Qatar and covering an area of more than 10 million sqm. Of all of them, The State

Mosque is the most important one representing Qatar and all mosques in one landmark building.

It is therefore the Ministry's highest priority to keep this symbolic building impeccably maintained and cared for around the clock. To achieve this, only the best industry experts are commissioned by the Ministry to support its ambitions and MFS are honored to have been a part of it.
